UNCLASSIFIED
To: CLIVE SMITH
From: B. NYAM MOHAMMED
Subject: Delay of release

It has come to my attention through several reliable sources that my release from Guantánamo to the UK had been ordered several weeks ago. It is a cruel tactic of delay to suspend my travel till the last day of this administration while I should have been at home a long time ago. I am on a hunger strike and I am aiming to be force fed in protest to this.

Sgts NW
