

5. MESSAGE [Printed on the letter pad]

Family and/or private news only [Printed on letter pad]

My dear family members, wife and children. Salaam and love to all family members. The letter etc. has been received but [I] have not read it [as yet]. Time is short. Don't worry for me. The way I am, I am happy. And I am also not worried about you. I miss Wardah a lot, even more than Rabia. Next time [please] send me every body's photographs, but not photographs of ladies.

[About four lines in the middle have been redacted.]

Just prayers and only prayers. The prayer is best of worship. Pray [for me].

I love you guys [written in English]
