I, [Redacted], want to make the following statement under oath:

At approximately 1700, [Redacted] and myself were conducting cell checks on all of the [Redacted] blocks' cells. When we got to [Redacted], [Redacted] informed him that we were there to check his cell and that he needed to pull his towel out of the window so that we could see him. We got no answer. [Redacted] (506) told him that we were opening the bean hole to see in him that we were not going to hurt him. We opened the bean hole, [Redacted] proceeded to swing his flip flop at us. He struck myself and [Redacted] with the flip flop and he also hit me in the face with the towel. This allowed us to close the bean hole.
