MEDICAL ATTENTION NEEDED: YES ☑
7. Summary of Incident: CO on duty, [redacted] On 07 April 2005 at approximately 1345, detainee [redacted] in cell [redacted] refused an order from the Block NCO to take a towel down that was totally covering his cell window. At approximately 1350, the SOG [redacted] ordered detainee [redacted] to remove his towel and he refused. At approximately 1400, the PL [redacted] ordered the detainee to remove his towel and he refused. At approximately 1422, the [redacted] arrived at the detainee’s cell with an Arabic interpreter and ordered the detainee to remove his towel because it was a safety issue and against the rules at least 3 times and he refused. At approximately 1450, [redacted] activated the IRF Team using the [redacted] and received permission from [redacted] to conduct a Forced Cell Extraction (FCE) if the detainee continued to refuse orders to take his towel down. At approximately 1500, a Behavioral Health Technician [redacted] arrived at the block and spoke to detainee [redacted]. Afterward, [redacted] authorized the removal of all BI items from the detainee upon extraction. At approximately 1515, [redacted] arrived at the detainee’s cell again with the Arabic interpreter and gave him another chance to
remove the towel or else he would be extracted from his cell so the towel could be removed to which the detainee again refused. At approximately 1530, [redacted] gave the order for the FCE to proceed. At 1540, the IRF team entered the cell and conducted the Forced Cell Extraction. The detainee was restrained in flexi-cuffs and taken to the recreation yard for examination by the on-duty Corpsman. When asked questions about if he was injured the detainee's only responses through the interpreter were words to the effect that he was at war with all present. The Corpsman determined the detainee to be uninjured. When the detainee was told he would have to give up his shirt and pants once back in his cell, he answered angrily with further threats. For this reason, shears were used to cut and remove his shirt and pants from him while being held by the IRF Team in the recreation yard. The detainee was then carried by the IRF team back to his cell, [redacted] without incident and the FCE was complete at approximately 1620. The entire FCE was video-taped.

I, [红acted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

On April 7, 2005 at 1540 hours I entered cell [红acted] as part of the F.E. Team. When the cell door was opened the detainee attempted to escape and resisted very violently. I had control of the detainee's right arm. I secured his hands by using flexicuffs. We carried the detainee into the right recreation yard. The detainee was seen by medical and behavioural health and was cleared to be returned to his cell. He was then carried back to his cell. The minimum amount of force was used to secure the detainee. The detainee was not hurt and I was not hurt during the force cell extraction.

**I WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:**

On April 7, 2006 at 1500 hours I entered cell [redacted] as part of the C.E.E team, when the cell door was opened the detainee attempted to escape and resisted very violently. I had control of the detainee's right arm, I secured his hands by using flex cuffs. We carried the detainee into the right recreation yard, the detainee was seen by medical and behavioral health, and was cleared to be returned to his cell. He was then carried back to his cell. The minimum amount of force was used to secure the detainee. The detainee was not hurt and I was not hurt during the force cell extraction.
