7. Summary of Incident: On 07 April 2005 at approximately 0840hrs, detainee ISN# [REDACTED] refused shower and recreation. He was ordered to come out for a cell search and placed his hands out in order to be shackled. When the Block MP began to place the shackles on the detainee, the detainee punched the Block MP in the stomach and spit on him. Per SOP, Behavioral Health was called and they arrived on the block with an interpreter to remove his Basic Issue (BI). When ordered to surrender his BI, the detainee threw urine on the Behavioral Health technician and the interpreter. The Camp [REDACTED] SOG then responded to the block and ordered the detainee to give up his BI. Again, he refused. The Camp [REDACTED] PL then attempted to get the detainee's basic issue items. The detainee stated that he would give up his issue items to the Behavioral Health officer if they came down and told him to give the items to the MP's. The Behavioral Health officer did not respond to the block. The on-duty Company Commander arrived on the block at approximately 1215hrs. When the CO went on the tier, the bean hole to [REDACTED] was open as the detainee would assault anyone who went to try and close it. The CO instructed one of the block MP's to retrieve an IRF shield to be used to close the bean hole. As the MP's moved to close the bean hole, the detainee threw feces through the bean hole,

[REDACTED]

which struck the on duty CO on the wrist, and legs. The MP's placed the IRF shield over the bean hole and were able to secure it shut. The CO then asked the detainee to comply with turning over his BI and was told no. At 1220 hrs, the CO then called the assistant S-3, then the on-duty field grade, and informed him of the situation. He then authorized the Forced Cell Extraction (FCE) and the primary IRF code was given. At 1234hrs, the IRF team entered the cell and conducted the Forced Cell Extraction. The detainee was shackled and taken to the recreation yard for examination by the on duty Corpsman. The detainee was asked if he was injured and he stated he was okay and uninjured. He was then carried by the IRF team to [REDACTED] block and placed into cell [REDACTED] without incident and the FCE was complete at 1245hrs. The detainee was fed his lunch meal at approximately 1300hrs.
