Presiding Officer: At this point in the hearing the Detainee will be able to present information to the Administrative Review Board. Assisting Military Officer, does the Detainee want to present any information to this Administrative Review Board, including written statements, oral statements or witness statements prepared on his behalf?

Assisting Military Officer: Sir, the Detainee would like to make an oral statement.

*The Presiding Officer asked the Detainee if he wishes to make his statement under oath and whether he opts to take a Muslim oath.*

*The Detainee accepted taking the Muslim oath.*

Presiding Officer: Faiz Muhammad you may begin.

*The Linguist stated that the Detainee asked if he [could] get some explanation[s] to certain points before he begins.*

Presiding Officer: Sure, we'll try. We'll try to explain.

*The Detainee made the following statement:*

Detainee: [I] understood the hearing and what [you all have] just read to [me]. But if [I] need some clarification then [I] want to use the Unclassified Summary (referring to the linguist's copy of the Unclassified Summary) because [I have] forgotten [my copy].

Presiding Officer: (speaking to the linguist) No problem. It's all unclassified, correct?

*The Linguist confirmed that his copy of the Unclassified Summary of Information was unclassified.*

Presiding Officer: Yes, not a problem. Please assist him in anyway that you can. Just make sure that you get back everything that you give to him.

*The Linguist handed his copy of the Unclassified Summary of Information to the Detainee.*

Presiding Officer: If I may before you begin, Faiz, if you have them (referring to the Detainee's responses to the unclassified summary of information) numbered and/or lettered, such as 3.A. 1. and you want to refer to that allegation just say, "I am responding to 3. A.1." and then we'll know where you're at and you don't have to read the whole thing.

Detainee: 3. A. 1. I requested a long time ago to [show] my time [that] I attended the college and the time [that] the two students attended the same college. Was that [ever] done? Do you have the answer to that?

Presiding Officer: I don't think we have that in front of us. No. You're asking us to verify the time that you were there and the time that these two students were there, correct?

Detainee: Yes, because there is going to be a conflict with the time.

Presiding Officer: Understood.

Detainee: I also requested [information] again [a] long time ago [about the] al Farouq [training] camp. [The al Farouq training camp] was closed September 2001 [because] one of the Detainees told me. He was in training [at] that camp. I asked the interrogator to find [out] information for me. That was [a] long time ago and I have [not] heard [anything] about that [again]. Is there an answer?

Presiding Officer: No.

Detainee: (referring to the allegation listed on the Unclassified Summary of Information under) Connections, that [is] C. 4.

Presiding Officer: C. 4. Okay!

Detainee: They're referring to the Saudi Nationals, is there anyway I can find out who they are?

Presiding Officer: Not today.

Detainee: Maybe after twenty years...(detainee laughed).

Presiding Officer: Not from me today, I'm sorry. I don't have that in front of me either, but it's a good question.

Detainee: You said this is a good question. You could provide me with anything. What about the other two questions I asked [about] that you could provide me [with answers]. Weren't they good questions either?

Presiding Officer: They were good too. They were good.

Detainee: In the name of God, give thanks to God and [let] there be peace upon all the prophets of God. I want to thank you for offering me the opportunity so I can explain my situation with all the freedom that you are giving me without any pressure, physically or emotionally. I say that because they (referring to the guards) have removed the shackles and the handcuffs from me. They [have given] me all my rights, my human rights, even the attorney (referring to the Assisting Military Officer) who is with me in this hearing. That indicates that the United States still believes in democracy and [is] still the best country for human rights. I hope [it] continue[s] that way. In the beginning, I left my country Kuwait as it [is] indicated [on] my passport at the end of June 2001. I stayed in

Pakistan for two months and then I went to Afghanistan at the end of August in that year. I looked at all the unclassified accusations [against me and] I was laughing so hard. I was accused [of being] with the Taliban, [at] another time I was accused [of being] with the al Qaida and third, I was train[ing] [at the] Khaldan camp. I took training on different weapons was [also] mentioned in the unclassified summary. Fourth, I trained at the al Farouq camp on all the explosives as [it] was explained in the unclassified summary. Fifth, I taught at the [al] Farouq camp and another [accusation is that] I gave lessons or I taught the al Qaida fighters. Another [accusation is that] I taught and gave lessons to the Taliban fighters and another [accusation was] that I fought [on] the front lines against the [Northern] Alliance. [Yet] another [accusation is that] I was with Usama Bin Laden in Tora Bora. Another time I was a religious leader for al Qaida and [the] Taliban and also a solider and a leader. I was there at the training camp near the airport close to Qandahar with Abu Ghayth and another time that I was associated with the Wafa. At the end of this exciting story and after all [of] these various accusations they accused me [of], I spent most of my time along side Bin Laden as his advisor and his religious leader. What [is] so hard to believe? All this happened in a period of three months, which is [the] period of time [that] I stayed in Afghanistan? I ask, are these accusations against Faiz or against Superman? It seems to me that whoever wrote these accusations he must [have] been drinking and he must have been drunk when he wrote it. I remember a story [a] very lovely story (detainee laughs). [There were] three men, [a] Russian [man], [a] French [man], and an American [man]. They decided to go into a forest and the condition [was] for everybody to bring in a tiger to show that they are really very strong [men] and [had a lot of courage]. So the Russian brought in [a] tiger, the French man he brought [in] a tiger [and] the American didn't bring anything. The American himself didn't even show up (everyone laughed). They waited for him for [a] long time. He was very late. They were worried about him. They went to the forest again to look for that American. After spending a great deal of time looking for him, they [became] very tired. They found him behind [a] tree. He was grabbing a cat and he [was] hitting that cat and saying, "Cat, why don't you say, I am a tiger?" (there is laughter). The other thing [is that] you want me to apologize for my coming to Afghanistan. I did not commit a crime; for I did not do anything wrong to apologize. [I will not apologize] even if you said, "You will not leave Guantanamo until you apologize and you will beg us to release you." In truth, I tell you I would like to stay as a detainee with my respect and dignity and walk out of here with all my apologies and feel good about myself. Why should I apologize? What did I do wrong? I request [for] you to prove that I did something wrong in a court of law. What I did in Afghanistan was my duty. I believe this. I am very proud to [have] do[ne] what I went there to do. The scale of justice that you use, it does not reflect justice.

*The Detainee requested that the Linguist tell the Administrative Review Board that they are not using the scales of justice right.*

Detainee: Therefore, I will not say anything [if using] this kind of scales of justice.

*The Detainee requested that the Linguist try once again to explain why he doesn't want to say anything. The Detainee expressed that he wanted the Linguist to explain the best way he knew how to the Administrative Review Board his description of the justice system being used in these proceedings.*

Detainee: [I] am not going to say [my] words. [I am] not going to tell you [my] words. [I am] not going to put them [on] that scale of justice. I will put it in the hands of God. He will be very fair and he is the one who will be defending all the believers. In truth, I tell you I do not wish your mercy. I am not afraid of your laws. The only one [that] I fear is God. You can judge me anyway you want. That's my life. The judgment is in my life here in this world. What [ever] your decision [is] against me, it is in this life. There is [a] time when we [will] die and we [will] go meet the maker. That is going to be [my] judge and that is where there is going to be justice. God is going to be the judge and he is not going to be taking sides.

*The Detainee recited something from the Koran.*

Presiding Officer: (referring to the linguist) Just say what he said.

Detainee: It cannot be translated.

Presiding Officer: Okay, it was untranslatable for our linguist, but apparently he (referring to the Detainee) repeated something. He cited something from the Koran.

*The Linguist confirmed that the Detainee's words were recited from the Koran.*

Detainee: Can we maybe get the verse from [the] Koran and then we can just add that in there? (referring to the transcript of the proceedings)

Presiding Officer: That won't be necessary.

*The Detainee tried to translate the verse from the Koran.*

Detainee: Gather all your strength and do with me what you wish now and do not delay. My God is the one who is going make me victorious and he will make all the believers victorious as well. I have answers to all [of] these allegations but the scale of justice is not in my favor. So therefore I will not say anything.

*The Linguist explained that the Detainee repeated that he is going to put it on the scales with God.*

Detainee: Not with God, but in this scale (referring to the Administrative Review Board proceedings). If there is a justice scale I will put my statement in it [with] no problem. But not on the scales of [injustice], I cannot.

Presiding Officer: Faiz Muhammad does that conclude your statement?

Detainee: Yes and thank you very much for your justice.

Presiding Officer: Thank you for your patience.

Detainee: (laughs) [For] three years I [have been] patient (laughs again).

Presiding Officer: I understand. Did the Assisting Military Officer's comments he provided earlier provide [the] information you wanted us to hear? I know they were limited, but...

Assisting Military Officer: Did you (referring to the Detainee) want to mention anything about wanting to read a written statement?

Detainee: I [thought] about that but (the detainee paused)... the scale...is [injustice]. I will not put myself in it.

Presiding Officer: Okay.

Detainee: I have prepared a reply. I have answers for all [of these] points, but I give you one example, before two years [ago] I asked about something [stated] in [these] accusation[s]... for example like what I asked you before...

Presiding Officer: ...the students!

Detainee: ...yes, for example, one example...and two years...no answer. [Injustice]. They don't want you to defend yourself. They didn't give you the details of [these] accusations because if they give me the details I will defend myself. It's easy to me. Look to the delay. When I joined this college, it is before these two students. Do you understand what I am saying?...

*The Detainee asked if the Administrative Review Board members understood what he was saying because he was speaking English. The Board members confirmed that they understood.*

Detainee: ....before them. They accused them [of] go[ing] to Afghanistan with me. If they look at this situation they will find that there is a conflict when I went there [and] when they were there. There are many others like that (referring to the allegations). The scale of justice is tipping against me.

Presiding Officer: I understand your point. I'll ask again, Faiz, does that conclude your statement?

Detainee: Yes.

Presiding Officer: Thank you.

Detainee: You're welcome.

*The AMO had no further questions for the Detainee.*

*The DMO had no further questions for the Detainee.*

*Administrative Review Board Member's questions:*

Board Members: Faiz Kandari, what year did you attend the Islamic Institute in the United Arab Emirates?

Detainee: Is the scale going to be tipping in my favor or what?

Board Member: No...I just want to know when you attended that Institute. What year...and what time? Can you tell me?

Detainee: Thank you for your justice (the detainee nodded)... for your justice (with his hands symbolizing the scales of justice, the detainee repeatedly motioned with his hands in an upward and downward motion, indicating the scales were off balance).

Presiding Officer: If I may, we're trying to determine whether or not it's reasonable for us to transfer you back to your home country or release you and that's the reason we're trying to get clarification on some of the issues that we're looking at, so you can answer however you'd like but that's the reasons for his questions.

Board Member: I think I have gotten my answer. I'll go to my next question.

Detainee: (laughs)

Board Member: Do you know when the two students attended the Islamic Institute?

Detainee: Back to [the] scale of justice.

Board Member: Scale of Justice!

*It should be noted here that whenever the phrase 'Scale of Justice' appears in this transcript it refers to the Detainee motioning with his hands in an up and down motion to infer the scales of justice are not balanced.*

Designated Military Officer: Sir (referring to the Presiding Officer), can I just ask, I want to make sure he understood your point that you made because you (referring to the linguist) did not translate it.

*The Linguist stated that the Detainee understood.*

Detainee: I understood.

Presiding Officer: The point being the transfer or release?

Designated Military Officer: Yes sir.

*The Linguist and the Detainee gave confirmation of understanding.*

Presiding Officer: Okay, and you are acknowledging that you understood me?

Detainee: [I] understood this thing here (referring to the proceedings) but the results [have] already been decided.

Presiding Officer: Okay. I'll go along with that and we'll continue with our questions. I am going to believe that answered the Designated Military Officer's concern.

Designated Military Officer: Yes, thank you.

Detainee: I want to extend something. I have answers. [For] three years I [have] defend[ed] myself [without a] lawyer no[r] anything. I defend myself and God defend me but the scale [is] still...(with his hands symbolizing the scales of justice, the detainee repeatedly motioned with his hands in an upward and downward motion, indicating the scales were off balance)...[do] you understand what I am saying? I would not put my answers [on] this scale. I [am] sorry.

Board Member: Well, I am going to ask the questions even though you're not going to answer, okay? Just so that the record shows that we [have] asked you questions and you [have] refused to answer. You refuse to participate in this justice system.

Detainee: (laughs) But [are] you sure its [a] justice system?

Board Member: I am sure its justice.

Detainee: Just explain.

Board Member: Do you know when you attended the Islamic Institute? Do you know the timeframe?

Detainee: ...(with his hands symbolizing the scales of justice, the detainee repeatedly motioned with his hands in an upward and downward motion, indicating the scales were off balance)...

Board Member: You're not going to tell it? Were you imprisoned in the [UAE] for encouraging people to go to jihad?

Board Member: That's either a yes or no [answer]. It's easy.

Presiding Officer: Give him (referring to the linguist) a chance to translate.

Detainee: I understand what he is saying. Thank you very much.

Board Member: That's an easy yes or no answer.

Detainee: Thank you for [the] justice.

*The Linguist asked the Presiding Officer when he should translate because the Detainee understood English.*

Presiding Officer: Okay.

Assisting Military Officer: Sir, let me add as well that part of the instructions to the detainee is [that] they have the choice [as to] whether or not they answer any questions.

Board Member: Yes, I understand that.

Presiding Officer: Yes, we understand that.

Board Member: The accusation that you have been hard on the guards, was that recent that you have given the guards a hard time or [was] that a long time ago?

Detainee: The same answer.

*It should be noted here that when Detainee says 'The same answer' he is referring to the 'Scales of Justice' again.*

Board Member: The same answer. What was the name of the charitable organization you worked for in Afghanistan?

Detainee: The same answer!

Board Member: Same answer. I think that is all the questions I have sir. (there is laughter).

Presiding Officer: Okay. (turning towards the other Board Member) Your turn.

Board Member: What inspired you to encourage others to pursue jihad?

*The Linguist requested the Board Member to repeat the question.*

Detainee: The same answer (laughing). Sorry (laughing).

Board Member: Did you personally know Usama Bin Laden?

Detainee: The same answer. All your questions, I [have] answered [them] before. Three years [ago] I answered them.

Board Member: Just a couple more. Who arranged your travel to Peshawar, Pakistan?

Detainee: The same answer.

Board Member: What type of training did you receive at the airport training camp?

Detainee: The same answer.

Board Member: Did you ever study law?

Detainee: The same answer (laughing).

Board Member: Thank you very much. [I have] no further questions.

Presiding Officer: Okay, I am going to be short. I won't have as many questions as the rest of them (referring to the Board Member) because I may get the same answer. It appears to me for a couple of the questions that you responded to in the unclassified summary, I think 3.A.3. and 3.A.5, you are not denying comments that were made. You are just questioning us as to what period of time you went to that school and what period of times the other individuals [went to that school]. You're not necessarily denying that you worked strongly for funding the jihad through flyers and pamphlets nor that you traveled with two other students and another friend to participate in jihad. You're not denying that, you're just asking us questions to look into it. So again, I'll ask you, either you continue by denying these allegations or give me an answer as to... I understand that you may have had very good reasons for going to Afghanistan with these other individuals. But if you could explain to me why [you went to Afghanistan]? And if it was to work with a charitable organization then I would just simply ask you to give us/me a name, any name, of a charitable organization. I mean if you worked for them then you obviously would remember their name.

Detainee: The same answer.

Presiding Officer: Okay. Thank you. I appreciate your honesty...

Presiding Officer: You're welcome. For the record make a note that the Detainee, during his statement mentioned that he thanked us for him not being shackled or handcuffed. For the record, note that he is shackled here and handcuffed, but I think he may have been referring to the freedom to speak as he wishes.

Detainee: (hard laughter).

Presiding Officer: Assisting Military Officer is there any other information that the Detainee wants to present?

Assisting Military Officer: No sir.

*The Detainee requested to say something about the handcuffs and shackles.*

Detainee: When you [said] that to her (referring to the Presiding Officer requesting the Reporter to capture that the Detainee was still in handcuffs and shackles) I remembered that I sent one letter to my family and the Army skipped (referring to redacting information from the letter) words. I saw it (referring to his letter) with my lawyer in [the] newspaper. They put it (referring to his letter) [in the newspaper]. They left one or two lines [where] I said that the Americans were the best people and between parentheses I put an exclamation mark. [I] wrote after that, "This is the way they want us to send our mail." That is a false praise to them. They crossed everything [out] and the only thing that they left on that page [was about the Americans]...

*There is laughter!*

Detainee: I remembered this when you [told] her that (referring to the Presiding Officer requesting the Reporter to capture that the Detainee was still in handcuffs and shackled). Everybody that works in this thing here, everybody is on the same page. They know what they wanted to do [and] what they wanted to cross out.

Presiding Officer: Trust me, I don't cross anything out and we will provide everything that was said here today. It will be captured. The only explanation that I could give you is "for security reasons" they do blacken out some things.

Detainee: (laughing)

Presiding Officer: I didn't see your letter so I can't comment.

Dear Commander [REDACTED]

The family of Fayiz Mohammed Ahmed Al Kandari has requested that we submit materials to the Annual Review Board (ARB) on his behalf, to be provided to and considered by the ARB in accordance with Administrative Review Board Process §§ 3(f)(1)(a), 3(f)(1)(d)(7) and Administrative Review Board Process Step-by-Step § 1(g).

Mr. Al Kandari's family has sent a number of letters for your consideration, written by his parents, siblings, relatives, and friends, as well as a letter from a member of the Kuwaiti National Assembly who is a friend of the family and knows Mr. Al Kandari well. These letters testify to Mr. Al Kandari's good character and demonstrate that Mr. Al Kandari would not be a threat to the United States or its allies if released. Many of Mr. Al Kandari's relatives and friends make note of his outstanding compassion for and service on behalf of the poor and needy, both in Kuwait and abroad. During the 1991 Iraqi invasion of Kuwait, Mr. Al Kandari was very involved with humanitarian efforts in Kuwait, handing out food and supplies to suffering Kuwaitis. Mr. Al Kandari's friends and relatives all attest that he does not have any affiliation with or tendency towards any extremist or terrorist organizations, and in fact has great respect for the law, and has always abhorred violence.

## UNCLASSIFIED

The letters from Mr. Al Kandari's family also provide information regarding his work history, education, and family status, to be considered by the ARB pursuant to Administrative Review Board Process § 3(f)(1)(d)(10). Mr. Al Kandari is the eldest son of a large family, and his presence and leadership is greatly missed by his parents and younger siblings and cousins, who he always taught to serve others. Moreover, Mr. Al Kandari is a very intelligent young man and an excellent student who studied hard in the hopes of becoming an engineer. If he is allowed to return to Kuwait, Mr. Al Kandari is most likely to resume his studies and his humanitarian work and be an asset to his family and community.

Mr. Al Kandari's family would also like to resubmit personal information and documentation that was previously requested by and submitted to the Department of Defense, but which is also relevant to the ARB proceedings under Administrative Review Board Process § 3(f)(1)(d)(10). The "Personal Particulars" document submitted by Mr. Al Kandari's uncle confirms Mr. Al Kandari's age, marital status, family status, and level of education. The family has also resubmitted documentation concerning the health condition of the detainee's relatives, which is of particular importance in Mr. Al Kandari's situation, as his mother has cancer and is in need of ongoing care, making Mr. Al Kandari's continued absence all the more devastating for his family.

Finally, please note that these submissions do not constitute a waiver of the detainee's right to pursue his petition for habeas corpus and related claims brought in *Al Odah v. United States of America*, D.D.C., Civil Action No. 02-828 (CKK).

Sincerely,

Neil H. Kostowe

To: The members of the Annual Review Board

Esq.

Dear Sirs,

I the so-called Mohammed Ahmad Jamal Al-Kandari, father of the detainee Fayiz Mohammed Al-Kandari who has been detained for several years without being legally charged with any charge. His absence resulted in great gap in the family. We have anything that is not accepted by God and all people. He is a good son and human being due to his acme morals and his love to all people. He hates to harm any creature; either this creature t is a human being or an animal. Since his early days of childhood he enjoyed great character. When he was a student at the primary, intermediate and secondary stages I used to go to the school to inquire about my son and all teachers without exemption used to praise him for his good character and conduct and assistance he renders to his friends. He used to guide them for the good deeds and incite them to help others so that they will be rewarded by Al-mighty God. One day when we were in the house where his room was overlooking our neighbor. While our neighbor was excavating the foundations of his house. one of workers fall down and was buried by soil. My son Fayiz heard the cry of workers. so he hurried out and went down to the basement to assist the worker till they saved him. The workers and all those who were there praised him. My son and friend too has honorable social record. All those who knew him loved him, and no one had a complaint against him. Throughout his life he did not like violence, rather he likes good deeds and so kind. Whenever I meet any one of his friends he asks me about Fayiz and praised his good deeds, including his benevolence to his parents, relatives, and the assistance rendered to the people.

I pray to Al-mighty God to meet him soon

Best regards

Letters to the Members of the Annual Review Board

أنا المهدي محمد أحمد جمال الدين والراحمين فاني محمد الدين والذين مضى على  
اعتقالي سنوات عدة من غير أن توجه له أية تهمة وهذا العيب قد عمل  
فياض كبير في الأوساط وأنا لم نرى منه إلا ما يرضي ربنا ووالديه والذين يحبوا  
وانضام الإبن ونعم الإبن اسم الملائكة من الأطفال العالية وجبه الناس  
جميعا وكان ينمو أبناء أي مخلوق سواء البشر أو الحيوانات ومنه تعرفت  
أظنهم طائفة على خلق عظيم وعظما كان للبالغين مراحل التعليم الثابت  
الابتدائي والمتوسط والثالثي كنت أراجع المراجعة للدراسة في عصر ولدي  
كان المدرس وسيدنا بلدا متشدا لم يهونه علمي حين خلقت  
وساعتها لتلازم الطلبة وتتوجه اليه فعل الخير وساعة الأخرين  
لبنوا الأجر والثواب من الله سبحانه وتعالى، ولم أجد النظام كذا بالمثل  
وكانت تعرفت طائفة على الجار وقد أخذ الجار يحمل السداب لبناء منزله وقد  
وقع أحد العمال في السداب وانزل عليه التراب فسرع ولم يفرج  
العمال فخرج مسرعا ونزل السداب وأخذ ساعة العامل حتى أفرجه  
وبعد ما أتت عليه العمال الأخرين وبس كان موجودا هذا الإبن  
الصدوق في آن واحد وسد ناصية علاقته الإجمالية فباله شوق  
فكل من يجلس معه يحبه ولم أسمع من أي شخص أنه شكواي  
وطيلة حياتي لم يكن هذا الإبن محبا للعتق بل كان محبا للخنز عطفوا  
وكلا قابلت أحد من أصدقائي الأوسا في عصر فاني قد أخذ  
بسبب فضله الحيفة التي لا تنسى من جوبو الدين وطلقة الرعم  
وجبه الناس وقد اعترضهم

Dear Sirs,

I the so-called Fatima Yusuf Jamal, mother of the detainee Fayiz Mohammed Al Kandari, do hereby state that I am the mother of the detainee and I think you know the meaning of motherhood. I have lost my son for years and I am longing for him. I want to hug him. His absence has created wide gap in our family. We like him very much as he is benevolent with his parents and he used to help his relatives. He used to teach them how to like and assist others. Is it fair that my son is detained due to these noble characteristics? He did no harm any creature. People are talking about his good conduct and behavior. I know him quite well; he is not associated with any suspicious group. I want my son, his picture is always before my face. He used to divide his daily pocket expenses into two halves, one for him and he used to distribute the other half to the poor. Sometimes, he spent his whole pocket expenses to the needy, without withholding anything for him. I want to kiss my son and hug him before I die.

Dear Sirs,

I Ahmad Yusuf Jamal, uncle of the detainee Fayiz Mohammed Ahmed Al Kandari, do hereby state that I am well acquainted with the life of the detainee, from his date of birth till his detention. He was an excellent student who gives due attention to his study from the beginning of the school year till the end. This is substantiated by his school certificates in all stages. He is characterized by good conduct and behavior since his early days of life. Further he has obtained good conduct certificates. The detainee is liked by all family members and friends and he has honorable social record. He has always incited his friends to do well and assist the poor. The best example for his help to his countrymen, especially the people of his area (Al-Rumiyyah) was during the period of invasion of the State of Kuwait by the Iraqi fascist troops. I saw him doing glorious deeds, despite his young age. He used to load and unload big trucks with foodstuff to distribute the same to the needy from among the people of his area. I had never heard or saw him trespass over friends and I am not aware of any complaint that was lodged against him. He has never been violent; rather he has always been keen on doing well and assisting the poor. He is an example for loyalty, acme values and he is sincere to his family members and relatives. He has never committed any previous acts of violence, neither does he belong to any terrorist or fantasist group. He does not to harm others, whatever these others might be: Muslims or from other religions. He believed that all people are equal. They are created by one God and that religion is that of Al-mighty God. Further he believes that God has created all people and the earth with all its contents. He also believes that all rich people should help the poor and needy regardless their colour, home or religion. He also believes that should he able to bring happiness to others he will be happy himself and the efforts exerted to assist others are valuable. He believes that whenever you say "wait" to the poor this word is very rude. Finally I can say that our detainee has always been seeking the happiness of needy and poor from all people, regardless their native place. One of the good things he did are construction of schools for boys and girls, digging water wells at the barren areas, his participation in the construction of ideal farms for the benefit of the greatest number of people.

Dear Sirs,

I the so-called Jamal Ahmad Jamal Al-Kandari, uncle of the detainee Fayiz Mohammed Ahmed Al Kandari first of all I would like to thank you for giving me the opportunity to write this message that I would like to be acceptable by you. For three years I am living miserably due my sadness to the detention of my nephew, who is considered as if he is my son, i. e Fayiz and I can not even express my opinion. I would like to go directly to the topic so that my letter will not be boring. My nephew Fayiz is considered as the nearest one to my heart. He was born and grew up in the same house where I live. I was observing him daily and he became nearer and nearer to my heart due to his good character and behavior and good heart. Fayiz was always smiling and so kind to the children. He used to play with them to the extent that all children of the family like him and run to him when he returns back to home. Since his childhood he devoted himself to serve people, the poor and the needy. He is so kind to orphans and the poor. When he watches TV or reads the newspapers and sees miserable people, he used to weep. All of us are admired of this good trait and used to encourage him. He is benevolent to his parents who consider him the light of their eyes and the joy of their life. He used to kiss the hands of his parents whenever he sees them. Further he used to provide for their needs. It is not an exaggeration to say that I had never seen in my life any person who dislikes Fayiz. To avoid being boring one again, please allow me to appeal you to be merciful, as we have always expected from you, and return our son who is the key of our happiness. Please do not deprive us from this happiness for a long period.

Many thanks and best regards.

Dear Sirs,

I Mohammed Ahmed Al Fajlakawi, friend of the detainee Fayiz Mohammed Ahmed Al Kandari, do hereby state that I know my friend quite well and his kind family who like good deeds. I am linked with my friend Fayiz with the ties of friendship and fraternity since my childhood when I was studying in the intermediate school. He is very ambitious person, laborious and intelligent to the extent that I wished I could be like him. We were always together; we used to sit and went out together. He is very sociable, kind and lovely person. He likes doing well and he likes to help the people, especially the needy who seek help.

He adheres to the Kuwaiti customs and traditions. He likes joy and happiness. When we were sad and gloomy Fayiz used to turn our sadness into happiness. He likes reading very much, including novels and poetry. He used to narrate the same to us in our sittings. He was benevolent to his parents as he is their elder son. I had never see any person like Fayiz with his friends. We used to compete each other in the educational and cultural competitions, but I could not defeat him. He was very intelligent and one of the excellent students in the school.

We grow up together till we entered the secondary school. He was an example till we entered the university. We hoped that that we would be engineers. Fayiz likes to do well and help people, even on the account of his study.

I had missed Fayiz for years and I used to know his news from his family members and friends and upon his visit to me we used to recall the memories of our childhood.

He was absent for years and I had been informed that he is detained, but why? What did he do? Why do they detain this cheerful person who loves his family and friends? What did he do? And when he will be back? We do not know!

However I will try hereunder to express my sincere feelings that are expressed from within the heart of uncle of the detainee Fayiz Al-Kandari. The person who was brought up on doing well from his early childhood based on his sound education and ideal upbringing. He was polite and ideal during his childhood. Further he was excellent in his study and liked doing well. It seems that destiny has selected this person to be the supporter and helper of every needy person. In this respect he employed all his capabilities for the service of man whenever he exists regardless his color, religion or nationality. He was incited by the obedience of Almighty God, so he endeavored to collect alms and spend it over on the needy, to dig water wells and construct places of worship all over desperate areas of the Islamic world and worldwide. His objective was to give assistance to all people without distinction. He didn't bear any grudge to any sect, dogma. He believed that the love of country is one branch of belief in God. Therefore and starting from the first day of the Iraqi Invasion to the State of Kuwait he endeavored to give helping hand to all people of his area. In this respect he did his best to supply food and water to all people without being tired or angry. Our dear son was a symbol of welfare and good deeds. He tried to carry welfare to every place in the world as he believes in the international humanitarian nature of man, so he did his best to bring about joy and happiness to all people without distinction. He believes that Islam is humanitarian message that calls for peace to all people. A person like Fayiz who enjoys all these traits and good spirit, who endeavors to serve mankind, will never be forgotten. I am well sure that he will be released soon, thanks to Almighty God and the effort of good people like you in this world.

Gentlemen, Member of the administrative review board

Greetings:

I am Kahlid Abdul Rahim Abdul Rahman Diab, uncle of Faiz Muhammad Al-Kandari.

I have known him, (Faiz), since I got married to his Aunt. I have known him to be a good natured and good-tempered man who loves charity, and helping others, He had continuous contact with his siblings, and his friends. He had a cheerful and joyful presence. He was loved by his relatives, and friends, and had no inclination toward violence. He was Always fast in extending a helping hand to the needy, modest, and virtuous families close by or far away. We were greatly saddened by his dissociation, and he left a a huge void among his relatives, and friends because of his good attributes or characteristics. My wife is grief-stricken and has been crying since the day of arrest and until the date of this letter.

أشهد الله يومئذ .. وبعد ..

أنا المدعو - خالد عبد الرحمن عبد البراهيم ذياب .. زرع عمه المحفل فايز محمد الكندري ..  
لقد عرفت فايز منذ زواجه من عمته رجلاً جهاً طيب الخلق محباً للخير  
ومسماً الأخرس، متواضعا مع أرحامه وزملائه - كما أنه كان  
يشوشنا ومرحاً في مجلسه، محبوباً جداً من أقربائه وزملائه، لا نحيل  
بإحدى الصفات أبداً، لقد كان يصرح في العديد من المناسبات  
باعتقاده صادقاً من قريب أو من بعيد. لقد حزنا كثيراً على وفاته  
وتولى زمائنا كبيراً بين أقربائه وزملائه لما فيه من صفات طيبة،  
لدرجته أنه زوجه (عمته) مازالت تذكرون دعوتها حزناً عليه منذ يوم  
واعتقاله وصفاً تاريخي هذا للذئاب.
