b6 -1,4 b7C -1,4	meant to high level same tim DoD tech technique also bear	In Rumsfeld's public statements, DoD is against hooding prisoners, threats of violence and techniques humiliating detainees (there is a list of these I have seen). I know these techniques were approved at its w/in DoD and used on and Additionally, DoD portrayed themselves as FBI agents in the se frame these "interrogation techniques" were employed on at least. An EC outlining these iniques was done by MLDU in November 2003 es to FBI's dissaproval to these DoD "interrogation as", regardless of whether they were approved by the Danuty Secretary Defense. DAD Harrington has interested in following up on this. The EC regarding has not been uploaded and I provided AGC with another copy of it when I left GTMO on March 30, 2004 so it could go thru the OGC chain.

	be po	The need to be very careful here. Everyone should pay particular attention to the distinctions between allegations of abuse and the use of techniques which fall outside of FBI/DOJ training and olicy. As I stated in my email yesterday, I am not aware of any credible allegations of abuse by the syone in GTMO.
56 570	, pr	s it relates to and he techniques employed against them in the interrogation ocess were, based on numerous inquiries I made, in addition to my personal review of the DOD terrogation plans, approved by the Deputy Secretary of Defense.
