DO NOT WRITE BEYOND HEAVY LINES

July 27, 2008

Dear Mr. Cohen,

UNCLASSIFIED

Please accept our best wishes and greeting from Guantanamo Prison. Thank you talking to me on the telephone on July 15, 2008, it certainly gave me peace of mind and accordingly I conveyed to my other inmates to calm them down. CRC representatives visited us on July 01-2, 2008 who created chaos and confusion by advising us that the US government is releasing us and sending to ALGERIA, we all are rightly refused and we were all very extremely upset. Then after few days Judge Advocate General (JAG) and Staff Judge Advocate visited us and promised us to talk to you (Det attorneys)

It is very unfair keeping us in extreme conditions where Administrative Review Board has elapsed as years ago. Years and years are going by in strict isolation we are thousands of miles away from our loved ones and sweet home, friends and relatives. Now the concept of day & night, winter - Spring and Summer, we regard prayers & Fridays Sermon, love & festival, family life & community living all are fading away from our upset and restless mind - Indeed we are in a very difficult condition. We wish and pray that no human soul should ever go through this ordeal.

Since our captivity we have been extensively interrogated and investigated by various US Agencies under severe conditions. All informations about us, our family and business have already been compiled ages ago. It took many resources to separate EXECUTIVE and JUDICIARY but here in Guantanamo the lawlessness is supergating the PHAROH of Egypt and Hitler of Germany.

American believe in Justice, Equality and Human Rights, but the Bush Administration have been avoiding justice and ignoring basic Human Rights. We do believe in justice based on equality, wrong should certainly be punished and those respectfully & honourably released. "Right and wrong, Betwixt these on less jar justice resides." Shakespeare in (Titulus and Crossside i.3.116)

There was a historical ruling of US Supreme Court on June 12, 2008 that the Guantanamo Prisoners have the right to habeas Corpus privilege.

And there was an ~~Appeal~~ ^{Writ of Habeas Corpus} Appeal in D.C. Circuit chal-
 enging USRT declaring Enemy Combatant of case of PARHAT V. GATES
 Case no 06-1397 that PARHAT is not an Enemy Combatant. Historically
 since our captivity no prisoner has been released by applying justice, we
 are not satisfied. "No, no, we are not satisfied, and we will not be satisfied
 until justice falls down like water and righteousness like a mighty stream."
 Martin Luther King jr., Aug 28, 1963.

Guantanamo Prison is comparable to HELLTON, SATAN INN or
 DYSTOPIA, we have no control of Air, Water, Climate, Clothes, Food,
 Human Contact, light and Medical treatment but our captor proudly and
 arrogantly controlling ignoring the world community. In these conditions
 of confinement in our cell affecting our health and psychology, we
 aging fast and our health is deteriorating fast.

"I thought it said in every tick!
 I am so sick, so sick, so sick
 O death come quick, come quick, come quick."

The Watch by Frances Corinford.

In the beginning we are about 800 prisoners here from 40 different
 countries, more than 550 have been release without applying any law and
 holding us without any law. Both US Presidential Candidate Barack
 Obama Democratic candidate and John McCain, Republican candidate
 said that the Guantanamo Prison should be closed its a disgrace to America's
 reputation. We ask what nations for Human Rights where we don't see
 Human rights given to our captives. It is a deviation of basic teaching of
 Holy Bible, Matthew (7:5) "Hypocrite! First remove the plank from your
 own eye, then you see clearly to remove the speck from your brother's
 eye." and Matthew (7:12) "Therefore, whatever you want men to
 do to you, do also to them." ~~UNCLASIFIED~~ and the Prophet. My
 request to you is please look into possibility to ask question to the Presidential

Candidates in their debate before election present of the audience about Guantanamo with definite answers with some time frame when new President takes over on Jan 20, 2009.

Politicians make many promise based on morality and equality in order to win election and later on easily deviate. I would like to quote you very high sermon on morality by President George Bush on the inaugural address on Jan 20, 1988.

I take as my guide the hope of a saint: in crucial things, unity... in important things diversity... in all things generosity.

SAMI AL HAAT of ALJAZEERA T.V. was also here as captive for years he has been released and he is back on his job with ALJAZEERA. Sami had an opportunity to meet the King of QATAR and pleaded the case of Prisoners who are held up because of their home country difficulty. The King directed the matter to the Ministry of Foreign Affairs. I request you kindly to contact Sami and persue with him with all my detail of legal affairs and specially ARB's easance about three years ago, in order to expedite. We all are ready and willing to go to QATAR.

I am having a rare opportunity to convey you my feeling in English it may be the first and last time but I request you kindly write me in Arabic - In the end I would like to narrate Shakespeare:

"Blow blow thou winter wind, thou art not so unkind as man's ingratitude
Thy tooth is not so keen because thou art not seen although thy breath be rude
Heigh ho - sing high he vents the green wood holly, most friendship is
forgetting most loving more fully"

Thank you for your cooperation with warm regards.

Sincerely,
