Attorney-client Material

RESPECTED JUDGES:

This is my second letter to you. In this letter, with God's will (InshAllah) I am going to prove that I am a victim of "War on Terror". English is my second language so please forgive my English grammar and spellings mistakes.

UNCLASSIFIED

The only Conclusion I Came up with was that, U.S.A government made a big mistake ~~to~~ by torturing a permanent resident of U.S.A. They had no option, but to ^{put} me Top Secret detainee to do coverups on their mistake. ~~They~~ ^{Not} only that I was resident of U.S.A but I fluently spoke American English and if I had gone to media to show the world what they had done than it ^{would} put a lot of people in Washington in dead spots possibly for long time in prison. That is the very reason they made me ^{one} Enemy Combatant, taking away all of ^{my} rights. That is the very reason they made me Top Secret so the public won't know what I got to say about the crimes that Bush administration ~~committed~~ committed in name of good American people or in name of God called "War in terror".

For God Sake I am a victim of "War on terror", ~~please~~ please give me justice. don't let them get away with this, don't let them do coverups on that. The future of Constitutional rights are on your hands... please don't be afraid to do the right thing!
