Summary of Incident: At approximately 2020hrs 16 February 2004 Block personnel approached the following detainees for the purpose of conducting a random cell search: [Redacted]. The detainee refused. Block personnel informed the detainee that the random cell search was not optional; and again, the detainee refused. After the detainee refused the chain of command at [Redacted], the primary IRF team at [Redacted] was assembled, medical support was called along with video camera support, and the recreation area prepped for [Redacted]. Once medical support and video support were present at the block, the detainee was given another opportunity to comply by [Redacted] and refused yet again. [Redacted] ordered the 5person IRF team to enter into the cell and forcibly removed the detainee from the cell and moved the detainee to the recreation area for [Redacted]. Once in the recreation area, the detainee received medical attention. Once medical personnel cleared the detainee, the IRF team moved the detainee back to the cell. The cell extraction of the detainee went well. There were no injuries to any of the assigned block personnel, IRF team members or detainee.
