**UNCLASSIFIED SUMMARY OF BASIS FOR TRIBUNAL  
DECISION**

**(Enclosure (1) to Combatant Status Review Tribunal Decision Report)**

TRIBUNAL PANEL: \_\_\_\_\_ #8 \_\_\_\_\_  
ISN #: \_\_\_\_\_

**1. Introduction**

As the Combatant Status Review Tribunal (CSRT) Decision Report indicates, the Tribunal has determined that this detainee is properly classified as an enemy combatant and is a member of, or affiliated with, the Taliban and was part of or supporting al Qaida. In reaching its conclusions, the Tribunal considered both classified and unclassified information. The following is an account of the unclassified evidence considered by the Tribunal and other pertinent information. Classified evidence considered by the Tribunal is discussed in Enclosure (2) to the CSRT Decision Report.

**2. Synopsis of Proceedings**

The unclassified evidence presented to the Tribunal by the Recorder indicated that the Detainee is a member of the Taliban and admitted traveling to Afghanistan to fight for the Taliban. The Detainee was a bodyguard for Usama Bin Laden and stayed at a Kandahar guesthouse in Afghanistan. The Detainee served on the front lines in Afghanistan before retreating after September 11, 2001 and continued to participate in military operations against the United States and/or its coalition partners. The Detainee was armed with an AK-47 rifle, three magazines and two anti-personnel grenades, and also trained at the front lines on the proper technique to throw grenades. The detainee affirmatively declined to participate in the Tribunal and chose not to present any evidence or have the Personal Representative make any statements on his behalf. He requested no witnesses and requested no unclassified or classified documents be produced.

**3. Evidence Considered by the Tribunal**

The Tribunal considered the following evidence in reaching its conclusions:

- a. Exhibits: D-a and R-1 through R-14.
- b. Testimony of the following persons: None.

**4. Rulings by the Tribunal on Detainee Requests for Evidence or Witnesses**

The Detainee requested no witnesses or requested additional evidence be produced; therefore, no rulings on these matters were required.

## 5. Discussion of Unclassified Evidence

The Tribunal considered the following unclassified evidence in making its determinations:

a. The recorder offered Exhibits R-1 and R-2 into evidence during the unclassified portion of the proceeding. Exhibit R-1 is the Unclassified Summary of Evidence. While this summary is helpful in that it provides a broad outline of what the Tribunal can expect to see, it is not persuasive in that it provides conclusory statements without supporting unclassified evidence.

b. Exhibit R-2, a request from the Federal Bureau of Investigation to redact certain information from the FBI Form 302 or FD 302 were not helpful to the Tribunal in determining whether the Detainee was properly classified as an enemy combatant. The Tribunal therefore found Exhibit R-2 to be without merit.

The Tribunal relied on certain classified evidence in reaching its decision. A discussion of the classified evidence is found in Enclosure (2) to the Combatant Status Review Tribunal Decision Report.

## 6. Consultations with the CSRT Legal Advisor

No issues arose during the course of this hearing that required consultation with the CSRT legal advisor.

## 7. Conclusions of the Tribunal

Upon careful review of all the evidence presented in this matter, the Tribunal makes the following determinations:

a. The Detainee was mentally and physically capable of participating in the proceeding. No medical or mental health evaluation was requested or deemed necessary.

b. Although he did not actively participate in the Tribunal process, there was no reason to believe the Detainee did not understand the CSRT process. This was confirmed by the Personal Representative who, with the assistance of a translator, explained the process, and read the Unclassified Summary of Evidence (Exhibit R-1) to, the Detainee. The Personal Representative further confirmed the proper language translation was utilized during the interviews with the Detainee. The Detainee chose not to participate in the Tribunal process, as indicated in Exhibit D-a.

c. This Detainee is properly classified as an enemy combatant and is a member of, or affiliated with, the Taliban and was part of, or supporting, al Qaida.

**8. Dissenting Tribunal Member's report**

None. The Tribunal reached a unanimous decision.

Respectfully submitted,

Colonel, U.S. Marine Corps  
Tribunal President
